

# Streamjet™ Matte Black Showers

Introducing Matte Black Streamjet™ showers, a welcomed addition to our popular Streamjet™ range. Designed to impress, our Matte Black collection will satisfy the fussiest buyer with its low sheen, easy to clean finish and contemporary designs.

The Streamjet™ shower range is available in both fixed wall and handheld shower options. Both options feature our 100mm shower face with concentric single pattern spray for a gentle drenching rain shower experience with full body spray coverage.

All Con-Serv Streamjet™ showers are available in 4 Star 6.5L/min and 3 Star - 9L/min ratings as per WELS licence number 0046.
