

## Antimicrobial solutions

**HP 035 AW**  
Antimicrobial Handpiece  
White finish

## Antimicrobial Handpiece

- ABS lightweight single function shower with antimicrobial additive
- Full pattern spray
- White finish
- Watermark AS/NZS 3662 WMKT 21147
- 3 Star - 9 L/min as per WELS licence number 0046

# Antimicrobial Range

As part of our ongoing commitment to developing innovative healthcare solutions, Con-Serv has introduced a range of Antimicrobial products to help support the growing needs of the healthcare industry.

## What does Antimicrobial mean?

Antimicrobial literally means “active against microbes” and can be defined as something that can resist, inhibit and prevent the growth of microbes including bacteria and mould.

In developing our Antimicrobial healthcare range, antimicrobial additives have been infused into the product material during the manufacturing process. These additives work to attack the bacteria cell wall, interrupt cell metabolism and prevent bacteria reproduction extending the products hygienic properties and minimising the potential of cross-contamination.

For more information or to view our full Antimicrobial range visit [con-serv.com.au](http://con-serv.com.au) or contact us on 1300 467 322.

**SH 0900 AW** 900 mm Antimicrobial Hose  
**SH 1200 AW** 1200 mm Antimicrobial Hose  
**SH 1500 AW** 1500 mm Antimicrobial Hose  
**SH 2000 AW** 2000 mm Antimicrobial Hose  
White and chrome finish

## Antimicrobial Shower Hose

- For use with handheld showers
- Smooth PVC hose with antimicrobial additive
- 1 x ½” BSP swivel and 1 x ½” BSP fixed conical end nuts
- Antimicrobial white hose with chrome-plated brass components
- Shower hose meets the performance requirements of AS/NZS 3662 clause 5.4
- Available in standard lengths of 900 mm, 1200 mm, 1500 mm and 2000 mm.

**HC 024 AW**  
Antimicrobial Glide Slide Handset Cradle  
White finish

## Antimicrobial Glide Slide Handset Cradle

- ABS Glide Slide Handset Cradle for handset support and height adjustment
- Fastens to 32 mm grab rail
- Clicklock™ claw mechanism
- ABS construction with antimicrobial additive
- White body, handset cradle and lock nut

# Antimicrobial Aerators

Laminar flow aerator inserts minimise the potential for pathogens to enter the water by producing a non-aerated, splash free, crystal clear stream. Ideal for healthcare facilities, our laminar flow aerator inserts also contain additives that reduce surface build-up of biofilm and bacteria in high risk areas.

- Laminar (non-aerated), splash free, crystal clear flow
- Antimicrobial additive reduces surface biofilm and bacteria build-up
- Watermark AS 5200.037.2 WMKA 00667
- 5 Star - 6 L/min as per WELS licence number 0046
- 3 Star - 9 L/min as per WELS licence number 0046

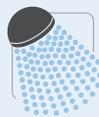

**AF 5ALF** 6 L/min Antimicrobial Aerator Insert  
**AF 8ALF** 9 L/min Antimicrobial Aerator Insert

# Colour Coded Identification System

Simplify the maintenance cycle with colour coded replacements. All products in our Colour Coded Identification System feature colour options of RED, BLUE, YELLOW & GREEN for easy identification when scheduling replacements.

## Colour Coded Handpiece

- ABS lightweight single function shower with antimicrobial additive
- Colour inserts (provided) to support a maintenance cycle
- Full pattern spray
- White finish
- Watermark AS/NZS 3662 WMKT 21147
- 3 Star - 9 L/min as per WELS licence number 0046

**HP 035 AC**  
 Antimicrobial Colour Coded Handpiece  
 White finish

## Clinic Colour Coded Aerators

- Laminar (non-aerated), splash free, crystal clear flow
- Colour coded to support a maintenance cycle
- Watermark AS 5200.037.2 WMKA 00667
- 5 Star - 6 L/min as per WELS licence number 0046

**AF 5CLL RD** 6 L/min Clinic Aerator Insert - Red  
**AF 5CLL YE** 6 L/min Clinic Aerator Insert - Yellow  
**AF 5CLL GR** 6 L/min Clinic Aerator Insert - Green  
**AF 5CLL BE** 6 L/min Clinic Aerator Insert - Blue

Protecting the world's most valuable liquid asset... water!

## Our Promise

Con-Serv Corporation Australia Pty Ltd warrants all of its products with a Limited Lifetime Warranty on all mechanical parts from manufacturing defects in materials and workmanship under normal use in a domestic installation for as long as the original purchaser owns their home into which the particular product(s) was/were installed. A five-year warranty will apply to commercial installations, irrespective of ownership. Con-Serv will repair or replace defective items correctly installed as per the Con-Serv installation instructions. Con-Serv will not be liable for defects arising through normal wear and tear. Item(s) must be returned with proof of purchase to Con-Serv at 17 Glentanna Street, Kedron, Queensland 4031. We will attend to your warranty claim after we make appropriate investigations. Contact our Service Manager during normal office hours on 1300 467 322 or at our email address of [warranty@con-serv.com.au](mailto:warranty@con-serv.com.au). If a warranty claim is accepted, Con-Serv will bear the reasonable costs of the return of the defective item(s) to us. A claim for expenses associated with making a claim for a defective product must be in writing and submitted to us with copies of supporting documents. The benefits given under our warranty are in addition to other rights and remedies of the customer under a law in relation to goods and services to which this warranty relates. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or a refund for a major failure and compensation for any other reasonable, foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Visit the Con-Serv website [www.con-serv.com.au](http://www.con-serv.com.au) for the detailed warranty policy.
