

# Antonio Rail Shower

European inspired, the contemporary Antonio collection is designed for complete rejuvenation. Height adjustable with clean, modern lines, the Antonio Rail can be combined with any Con-Serv handpiece for a shower to suit your lifestyle.

Antonio Rail Shower kits include an 890mm x 22mm rail with ABS adjustable slide cradle for handset support and height adjustment, Con-Serv handpiece of your choice, PVC 1.5m Silverflex™ hose and a licenced dual check elbow with Flow Interchange® Spigot.

All Con-Serv handheld showers are backed by our Limited Lifetime Warranty, are 3 Star - 9L/min rated as per WELS licence number 0046.
